

Kopal's life

Last week we interviewed Indian students. Kopal is an Indian student, she is 15 years old. She can speak a little bit of French. Like other Indians, she speaks English. Her time table for an ordinary day: Every day, she wakes up and she eats cereal. She dresses in her uniform. At school, she enjoys talking with her friends. During the day, she studies a lot. For the meal, she eats her packed lunch. After school, she likes playing the guitar and singing, they are her hobbies. The sport which she prefers is football, she doesn't practise dancing. Her favourite dishes are pizza and hamburgers. Kopal likes the way of life of French people and the French landscapes. It was her first time in France and Europe and she also skied here.
