

Mayer: "Says" you suming up to somebody's property a public property and obscuring it is not my definition of art". She don't like the paint of Banksy because she is irritated and Furious.

Tabachnick says "Banksy painted our building last night. What would we do?" they is ... Embarrassed but they would like win money.

Me: I think, it is my definition of art because the Banksy's painting is not in a Museum, And it is beautiful.

The Mayer was gravis because Banksy didn't the paint on this building. He thinks this is not art, it is vandalism. He'd like to paint over the artwork.

The Tabachnick's family is embarrassed because they don't know what to do with their painted wall: preserve or clean it? And there are a lot of people in front of their house.

I'm not interested in art so I have no opinion.
