

Avant de commencer les vagues sur la feuille, tu peux t'entraîner à faire des vagues dans de la semoule par exemple.

A large rectangular area containing various tracing exercises for wavy lines. It includes rows of fish swimming in waves, wavy lines on a baseline, and dotted lines for tracing. The exercises are arranged in several rows:

- Row 1: A solid wavy line with fish swimming in it, followed by a dashed wavy line with fish swimming in it.
- Row 2: A solid wavy line with fish swimming in it, followed by a dashed wavy line with fish swimming in it, and then a series of fish swimming in a straight line with black dots above and below them.
- Row 3: A solid wavy line on a baseline, followed by a dashed wavy line on a baseline.
- Row 4: A solid wavy line on a baseline, followed by a dashed wavy line on a baseline, and then a series of fish swimming in a straight line with black dots above and below them.
- Row 5: A dashed wavy line on a baseline with small circles inside the waves, followed by a series of small circles in a straight line.
- Row 6: A dashed wavy line on a baseline.
