Hello!

My name is Catalina and I am 23 (twenty-three) years old.

I was born in Colombia in South America but now I live in

Canada in a house. I live with my parent and mi cat, Milo.

In Canada I live in a city called Toronto. It is the biggest city in Canada!

Have you heard about Toronto before?

Do you guys live in a house or in an apartment?

I know your teacher because last year I worked in Vienne as an English teaching assistant at her school. I had a great time living in France and learning about your culture. I really miss it.... especially all the yummy cheese and bread!!!

To answer your question when we write the date we say:

Today is Friday September 11th, 2015.

I am sending you all some pictures so we can start to get to know each other a little better.

I look forward to learning more about you all this year and to get to be your pen pal! Do you know what a pen pal is?

Catalina
