

At school

Reporte-toi à la page 34 du livre pour colorier l'image

Open your book and take a look,
Take a look, take a look,
Open your book and take a look,
Now tell me what you see!

What is there in the book,
In the book, in the book,
What is there in the book?
A picture, I believe.

Take your pencils one at a time,
One at a time, one at a time,
Take your pencils one at a time,
And colour the picture!

Colour it red, colour it blue,
Use a little green too,
Colour it red, colour it blue,
Colour the picture do!

Colour the picture carefully,
Carefully, carefully,
Colour the picture carefully,
Keep to the outline too!

Very good, very good,
What a good boy you are!
Very good, very good,
What a good girl you are! } (bis)
