

The illustration depicts a window with a brown frame and light purple curtains on the left. Outside the window, a dark, shadowy figure is visible. The figure's hands are raised, with fingers splayed, and its face is partially obscured by a white mask with a single large eye. The figure's body is dark with some tan-colored patches. The background behind the figure is a light, hazy landscape with a small green plant on the left. The bottom of the page features a green patterned border with a repeating floral or insect-like motif.

Personne ne l'a jamais vu, juste son ombre derrière les rideaux, et sa silhouette quand il part, le soir, se poster sur un banc, loin des réverbères.
