CAHIER DE SCIENCES

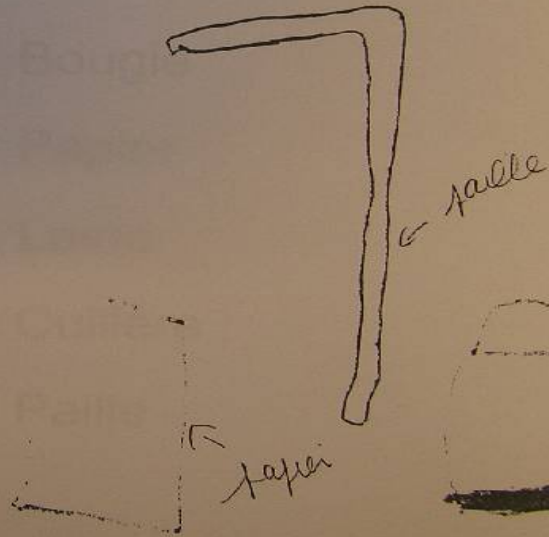

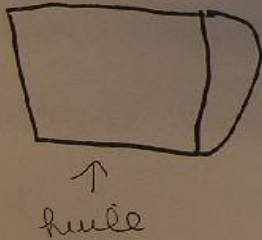

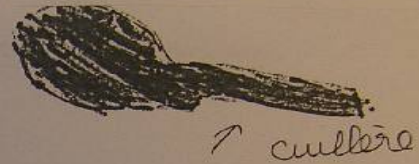

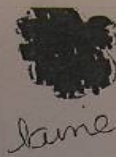

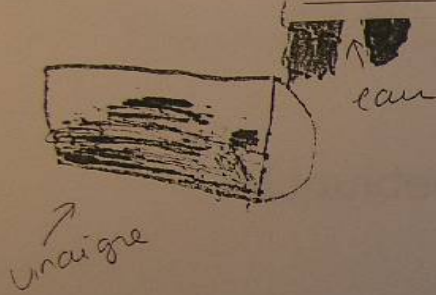

Années 2006-2007

Prénom : ... **ALICIA**

Avec mon groupe je classe les objets qui se ressemblent

ensemble : Huile – bougie – laine – eau – vinaigre – cuillère – papier – lait – sirop – paille

Classement obtenu en groupe classe, après discussion.

Liquides

Eau

Huile

Vinaigre

Lait

Sirop

Solides

Bougie

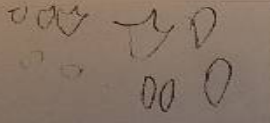

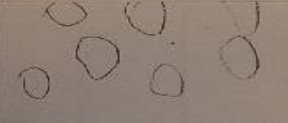

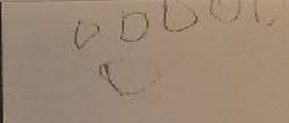

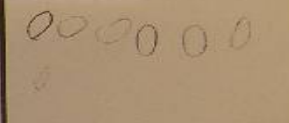

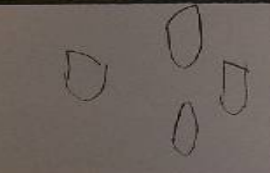

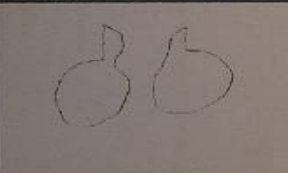

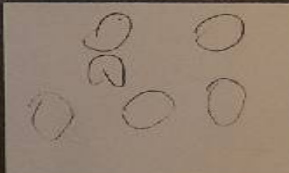

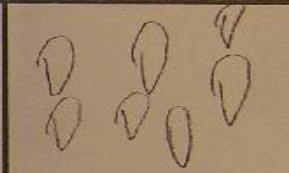

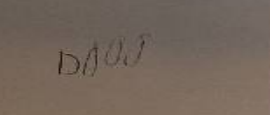

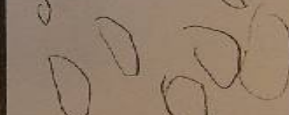

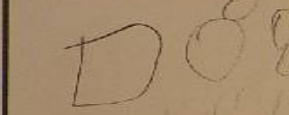

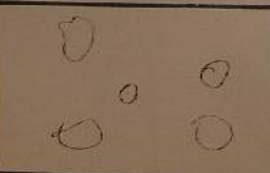

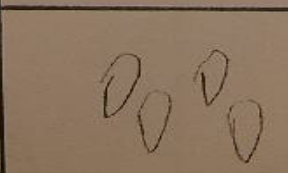

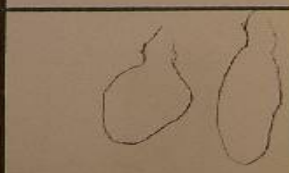

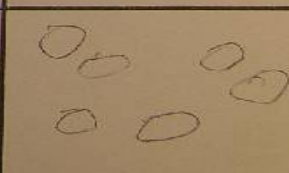

Papier

Laine

Cuillère

Paille

Expérience : avec mon groupe je teste si les liquides à notre disposition mouillent ou non les objets. Jan

| | BO | BO | BO | BO |
|-------|--|---|--|--|
| EAU |  |  |  |  |
| HUILE |  |  |  |  |
| LAIT |  |  |  |  |
| SIROP |  |  |  |  |

Légende : Mouille  Ne mouille pas
